TRADING GROWTH

Unlocking the thrilling world of trading growth is like embarking on a journey where every moment counts. It's a realm where opportunity dances with risk, and every decision holds the promise of profit or peril.

Picture this: You, armed with knowledge and strategy, enter the dynamic arena of financial markets. In a matter of moments, you may seize a soaring stock, ride the wave of a surging, or capitalize on a currency pair's swift fluctuation. The allure lies in the potential for rapid gains, where patience meets precision.

Trading growth is the art of capturing short-term opportunities, a quest for those exhilarating moments when the market tilts in your favor. It's a playground for technical wizards who decode charts, a battlefield for risk managers who safeguard their capital, and a realm for those who thrive under pressure.

But remember, this adrenaline-fueled pursuit isn't without its challenges. It demands discipline, a steadfast strategy, and the ability to thrive in an environment where fortunes shift at the speed of thought.

ABOUT FTX

With FTX World, you're not just trading; you're exploring the future. Our intuitive platform empowers you to navigate the exciting realms of commodities, and more with confidence. Whether you're a trailblazer or a trend follower, FTX World offers a haven where your financial aspirations can take flight.

Join us in the realm of FTX World, where the world's markets converge, and your journey towards financial greatness begins.

Terms & Conditions

- 1) Business closes every Saturday.
- 2) Payouts will be transferred every Monday.
- 3) 5% Direct Income will be generated instantly after investment.
- 4) ROI will stop after the Plan Amount matures.
- 5) If an ID has downline business, all incomes for that ID will stop after the investment amount multiples to 4x, including all incomes.
- 1) Total of 8 Direct IDs are compulsory for income up to 30 levels.
- 2) 2.50% Weekly ROI on every Package.
- 3) If an ID directs 2 or more packages of the same or higher value within 15 days of investment, the ROI will upgrade from 2.50% to 3.75% weekly.
- 1) Every ID can have an unlimited number of Direct IDs.
- 2) IDs cannot upgrade their investment after choosing the investment package.
- 3) Stopped IDs will be reset by the admin after a request through email.
- 4) After the reset, IDs can invest in a package and restart their business from the same position.
- 5) Bonanza income will depend on the Bonanza conditions.
- 6) All transactions will be in USDT.
- 7) 10% admin charges will be deducted on every withdrawal of payout.
- 8) FTX World can make changes to the business without prior consent.
- 9) The growth of our business relies on global trading.
- 10) This is a global business, allowing each ID to operate from anywhere in the world.
